Dear Sir,

Father's Day 2015 was very sad for me as my father passed on at the ripe age of 86. I choose to feel this day marks the closing of a space in my families home and the opening of a new space for the "not consentor" in the office of the Commonwealth Ombudsman. Clearly, I feel myself to be champion of the mentally ill and I choose to use the Ombudsman to my advantage in these endeavours.

Sincerely, D.A. Crofts, D.A.S. CROFTS.
